Alexandria, VA 22313-1450

Dear Sir:

In response to the Restriction Requirement dated May 3, 2004, Applicants hereby elect, without traverse, Group I, claims 1-16 to prosecute in the above-identified patent application. In the Restriction Requirement, the Examiner included independent claim 17 in both Groups. Applicants believe that claim 17 properly belongs in Group II.

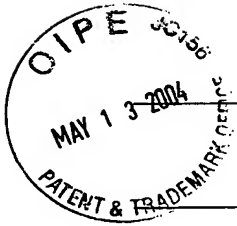

Applicants note the election of species requirement. It appears to pertain only in the case where Group II is elected. As Group I has been elected, it is believed that no election is required with this response.

If any fees are due in connection with the filing this Response to Restriction Requirement, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. NOVLP030).

Respectfully submitted,
